

Warriors Win 14-9 on Pass in Last Minute

With one minute to go in the game, trailing 9-7, El Camino halfback Stan Becker faked back and flipped a screen pass to half Don Greco who chucked 43 yards to a touchdown behind a wave of eight blockers to give the Warriors a chiller-thriller 14-9 win over San Diego JC Friday night on the Warrior Field.

The victory pushed El Camino into third place in Metropolitan Conference standings and San Diego, formerly third, was ousted and put in fourth place by the loss to the Warriors.

Boosters Host Cross Country Runners, Coach

The Torrance Boosters Club hosted Tartar Cross Country runners Bobby Guerra and Dave Ruffell, along with Track Coach Vern Wolfe, at a luncheon meeting held Monday at the Dinghy Cafe.

Dick Piazza and Richard Cosgrove, Tartar football stars, who were originally scheduled to attend the meeting, were unable to make it because they were busy with the rest of the team voting for their all-opponent team, from which Bay League selections were made.

It is hoped that Piazza and Cosgrove will be guests at the meeting tomorrow at 12 noon, same place.

Also in attendance were Tom Hamm and Jim Bradley, local businessmen and staunch UCLA boosters; Dick Albright, a track man in past years and National Supply's representative of the week; Frank Kristofek, former star lineman at Pitt; in the days of Jack Sutherland's championship teams; and Warren Hamilton and Don Mullaney of the board of education.

Coach Wolfe told the Boosters that the track team will be a strong contender in the Bay League race this year. Wolfe, with several strong cross-country men coming out for the team, will be deep in distance men this year, but thin in sprinters.

Final THS Football Game

(Continued from Page 6) passing game, Loyola has a strong aerial thrust.

The Cub quarterback, Bill Thom, has a talented arm. On the ground, the Cubs have one halfback named Vic Bruno that can run hard, and another named Jim McAnany who is a speed burner. But Loyola Coach Jack Bouchard is fretting about injuries. He lacks depth and any injuries to his first stringers could cause trouble.

It will be the last high school game for 22 Tartar seniors, and Graybill plans to let them make the most of it. He will start his regular first string and give opponents a grand total of 65 points all year or an average of about eight points a game.

The Cub's record shows one loss to Santa Barbara 28-14; six wins—over Bonita 6-0; over Serra 13-6; over Cathedral 26-0; over Notre Dame 43-13; over Van Nuys 27-6; and over Mt. Carmel 28-14. They tied Cantwell 7-7 and St. Anthony 13-13.

The Cub defense, ergo, has allowed opponents an average of nine points a game. On paper, the game shapes up as even Steven. In calibre of opponents, Torrance gets the edge. At any rate, it should be a rock-and-sock prelude to Thanksgiving, and both teams are hoping to have lots to be thankful for.

METRO ROUNDUP

Crawford has a net gain of 143 yards for six games and a passing record of 85 out of 95 for 618 yards and 6 TDs. Halfback Don Greco leads the team in total yards with 406 and an average of 7.58. Since 1947, El Camino has won 19 Metro Conference games and lost 15 having won the crown in 1950 and 1952.

Playing at Meadowlark, with a 15 handicap, Hansen went through four straight Saturdays of match play to win his flight trophy.
In the annual playoffs, the Flight "A" winner is awarded the President's Cup, while each of the four other flight winners receives an engraved trophy. Bob Snyder of the company's meter shop won the prized Flight "A" trophy.
